The purpose of this resource center is to explore the ways that racism shows up in real estate transactions, in mortgage lending practices and policies, and the impact it has today. Participants completing some or all of the pathways described below will gain the foundational understanding needed to advocate for equal access for all to wealth-building through homeownership.

- **Mini-course:** For 2+ people; three 45-minute discussions with no homework
- **Six-Session Series:** For small groups/teams; six 1-hour discussions with homework
- **Self-Guided Study:** For individuals; self-paced; most modules take 90 minutes or less
